Part II Activities and Operational Information

- 1 Provide a detailed narrative description of all the activities of the organization—past, present, and planned. Do not merely refer to or repeat the language in the organizational document. List each activity separately in the order of importance based on the relative time and other resources devoted to the activity. Indicate the percentage of time for each activity. Each description should include, as a minimum, the following: (a) a detailed description of the activity including its purpose and how each activity furthers your exempt purpose; (b) when the activity was or will be initiated; and (c) where and by whom the activity will be conducted.

Loyalhanna United Soccer Club provides recreation opportunities youths and adults living in communities in eastern Westmoreland County, PA. The following activities are listed in order of importance:

Time Involved	Activity
50%	Organize/participate in soccer teams, leagues, camps, coaching/refereeing and training activities. Club members volunteer time to provide administration and operations to allow players, coaches, and referees to recreate through the game of soccer. No members are paid for services provided. The club provides these services to encourage healthier lifestyles, deter less desirable use of free time, and to provide a positive environment to encourage a generation of physically, emotionally, and spiritually strong individuals. This is an ongoing activity of the club.
25%	Fundraising through sub sales, car washes, bake sales, sponsorships, candy sale, pizza sale, concession stand sales, meetings with businesses and individuals, membership dues, and grant applications. These activities are coordinated by the club President and Treasurer. The Treasurer organizes fundraisers with teams to provide money for operations. This is an ongoing fundraising activity. The President meets with businesses, individuals, and foundations to secure funds to construct desperately needed fields and facilities. The fundraising required for land acquisition and field development has been initiated in November 2001. It will continue until fields have been constructed and secured for future use. In the near future, the club will no longer be able to use shared fields from the local school district. The services we provide in the local community will no longer exist without the development of additional athletic fields in the community.
25%	Facilities and fields planning and development to support the Club's present and future needs. These activities have been provided by the President of the Club since Jan 2002. This includes meetings with township supervisors, zoning boards, surveyors, landowners, construction companies and engineering firms. Research is presently being collected on budgets for land acquisition, soil grading/seeding, field construction specifications, field maintenance programs and cost. Without the development of new soccer fields in the area, the Club will no longer be able to provide the community service it has and is providing. Upon receipt of sufficient funds, the Club President will manage the construction project.

1 st . Grants from foundations.	3 rd . Individual donations	5 th . Team fundraising events
2 nd . Sponsorships from businesses	4 th . Membership dues

Present fundraising is through team events, individual donations (40-50 per year), business (5-7 per year) donations, and member dues. Planned fundraising will be through mailings and meetings with businesses. All fundraising will be done by volunteer members of the club. See the attached samples of solicitations for financial support. Grant writing will be a part of the fundraising efforts until the land has been acquired and the fields have been built.

Dear Catherine,

Thank you for contacting us concerning our application for funding to develop sports and fitness resources in the community. We appreciate your consideration of our project.

Since providing our original proposal, we have made some changes to our organization in order to accelerate the implementation of the vision. The first was to reorganize our board using active members with the experience, time, and financial resources to initiate the project. The present board is:

Vincent Pimpinella – President
Donald Edwards – Vice President
David Gebhart – Treasurer
Alan Tennant - Secretary

We have moved forward with the land acquisition and hope to finalize the title transfer in May 2002. Funds for this acquisition, survey, and field layout plans are being provided personally by me.

Past correspondence and interviews with prior board members indicated that we were recognized by the IRS as a 501(C) 6 corporation. I am in the process of completing IRS form 1023 for recognition as a 501(c)3. After your call to me, I attempted to get a copy of our IRS determination letter from our founding board. Concurrently, I contacted the IRS and learned that our application for 501(C)6 was not complete. I apologize for this misrepresentation of our tax status in our prospectus.

Is it possible to consider our request for funding pending our approval as a 501(C)3? From my research, we have 15 months to achieve this non-profit tax status and still allow donors to benefit from the grant.

Thank you for your consideration. If you have any questions, please feel free to contact me at (724) 834-3345

Sincerely,

Vincent Pimpinella

Dear Mr. Watson;

Thank you for taking the time to review our grant application request. Loyalhanna United Soccer Club (a non-profit organization) is embarking on the development of a sports center in a natural environment for the enjoyment of youths and adults in the Laurel Highland area. Our organization brings athletes and their families together in an environment that encourages values like leadership, honesty, responsibility and integrity.

As an organization without endowment or public financing, we must rely on the goodwill of the community and foundations to raise money and make the sports center a reality. The Laurel Highlands area, which includes Westmoreland, Indiana, and Somerset counties, has a shortage of indoor and outdoor sports areas. Area communities need to offer facilities and activities to younger children in order to deter less desirable uses of their time. Participation in sports and fitness activities also encourages a healthy lifestyle.

LUSC has the opportunity to secure a 135-acre site and conduct preliminary engineering studies by raising \$250,000 by December 2001. Contributors have an interest in improving the quality of life in the local community and Western Pennsylvania.

Our primary objective is to complete the sale on the land for the sports center by December 31, 2001. Civil and soil engineering studies and surveys are scheduled for completion by March 1, 2002. Construction of four rectangular sports fields, road and parking improvements will follow for completion by September 1, 2002. Additional facilities are planned for future development of the site.

We feel that this project matches the goals of the Richard King Mellon Foundation. We urge you to support this important community project.

If you have any questions, please feel free to contact me at (724) 834-3345

Dear Mr. Watson;

Thank you for your reply concerning our sports center project. Since the original correspondence, I've taken on a much larger role in the development of this project. Your feedback is valuable to me. I hope we are able to work together in the future.

We will be applying for the 501 c3 status with the IRS. Originally our club was set up in cooperation with the Latrobe Foundation. Latrobe Foundation is a 501 c3. My understanding is that the Latrobe Foundation would act as Loyalhanna's fiscal sponsor. Many meetings, conferences, and activities took place between the foundation, local corporations, and the Loyalhanna board. Unfortunately corporate support in our area pulled back from the project.

Loyalhanna continues to pursue providing safe environments for our children and their families. Through numerous correspondences and meetings in the local community, we've agreed that our focus should be soccer. We are committed to filling a void in sports opportunities in our area. As well as pursuing community support, we are also considering private investors to make this vision a reality.

Hopefully this project can meet your criteria for support in the future. I would appreciate the opportunity to reapply for support after we complete some of the details as you indicated in your reply letter.

Thanks again for your feedback. If you would like any additional information concerning our project, please feel free to contact me at (724) 834-3345.

Sincerely,

TELEPHONE NUMBER: (724) 834-3345

AMOUNT REQUESTED: \$250,000

TOTAL PROJCT COST: \$10.6 million

MISSION STATEMENT: Develop a sports center in a natural environment for the enjoyment and development of youths and adults in the Laurel Highland area. Bring athletes and their families together in an environment that encourages values like leadership, honesty, responsibility and integrity

BRIEF DESCRIPTION OF PROJECT: (Please limit to space provided)

In small suburban areas of Western Pennsylvania, the challenge to provide safe, supervised athletic venues is demanding. Loyalhanna United Soccer Club (LUSC) is a non-profit organization with the goal to develop a multi-purpose center to enhance sports and fitness opportunities in the Laurel Highland area. LUSC has the opportunity to secure a 135-acre site and conduct preliminary engineering studies by raising \$250,000 by December 2001. The source of funds will be contributions from public-spirited people, businesses, and grants from foundations and civic organizations. Contributors have an interest in improving the quality of life in the local community and Western Pennsylvania. Funds required to complete the project during the period of 2002-2006 is \$10.6 million.

On completion, the sports center will have seven outdoor rectangular sports fields with the flexibility to be used for soccer, football, lacrosse, and field hockey. One rectangular field will be designed as a stadium field with spectator seating and lights. To meet the recreation and training needs during the winter months, a multi-purpose indoor facility will be built. Baseball/softball fields, tennis, basketball, volleyball, archery, and ultimate Frisbee areas are also planned.

The sports center will be built to preserve the natural beauty of the site. A fitness trail, picnic facilities, playgrounds, and scenic areas are planned.

The indoor facility will be designed with the flexibility to meet the needs of a wide range of activities such as, soccer, basketball, lacrosse, hockey, volleyball, fitness training, gymnastics, martial arts, and community events.

Dear Mr. Pimpinella:

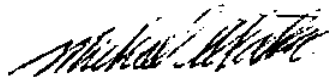

While the Richard King Mellon Foundation is always interested in helping youth programs in and around the Ligonier Valley, I believe the proposal you sent us is beyond the realm of reality.

First of all, the Loyalhanna United Soccer Club is a 501 c6 non-profit organization and not a 501 c3. In order for the Foundation to consider any request, the recipient must have a 501 c3 tax determination.

Secondly, the construction of an indoor center is something we would need to have more details about before we could consider funding. Site plans, drawings, building construction costs, permits, etc. are just a few of the things.

I certainly commend you and your group for wanting to provide such worthwhile activities for the youth of our area and hope that we can find some realistic way of providing support.

Sincerely,

Michael Watson

Memorandum

Date: 9 January 2002

To: Don Edwards

From: Vince Pimpinella

Subject: A Few Words About Fundraising For January Member Meeting & Board Meeting

Our club members have been working to develop high quality sports fields in our local area. A potential site has been located in Unity Township which includes eighty-five acres of suitable land for sports field development. A business plan and scale model has been completed and is available to all club members for review.

As a non-profit club, we rely on the goodwill of the community, businesses, and foundations to raise money and make these sports fields a reality. In order to gain the support of community members, our club needs to purchase this land immediately. Our short term goal is to raise \$200,000. These funds will set the project in motion and as a result, encourage additional funding from local and national foundations like the US Soccer, RK Mellon, and community minded corporations.

Our board is committed to providing quality sports opportunities to families in the local area. We need everyone's help. Help comes in many forms. Some families choose to make financial contributions; others can help by making introductions to community leaders who can provide funds or help raise funds. We have been approached by several club members and organizations who have offered materials, equipment and services. This is greatly appreciated. We will take advantage of these offers but first must acquire the land to develop.

We urge everyone to participate in this important community project.

Dear John,

We are terminating our soccer, marketing, and fundraising services agreement with Soccer Academy as of 20 May 2002. This correspondence serves as the 30 day notice.

We plan to continue to work together on soccer projects which are mutually beneficial to Soccer Academy and Loyalhanna United Soccer.

No funds have been secured from fundraising activities since the agreement was put into place on 14 June 2001. We do not anticipate that any funds or grants will become available to the club in the near future. If any funds are secured before 20 May 2002, Loyalhanna United Soccer will pay Soccer Academy 15% of all funds raised from individuals, civic organizations, foundations, or corporations.
