

District Player Development Program

This is a program to provide training during the summer for all eligible players who are interested in receiving training from a staff of selected licensed PAWest coaches. The training will be twice a week of 90-minute sessions over a 4-week period beginning the week of July 9th and includes 12 hours of soccer training over a month giving players time to absorb and practice the skills being presented. Followed by a festival game day in which the skills are tested against other districts in friendly soccer matches held at the end of the program on August 10th.

Now open to 2017 birth year players also.
