

COMMUNITY PLAYER DEVELOPMENT PROGRAM

Parents

There were some issues with the registration set up that caused some delay with registrations. We have extended the registration. In response to many requests, we have added the birth year 2013 to the eligibility age matrix.

PAWest Soccer, in collaboration with 8 local clubs, is hosting the Community Player Development program this July for players born in 2013, 2014, 2015, 2016, and 2017. Details about the program are below. This program provides training during the summer for eligible players interested in receiving training from selected licensed PAWest coaches. The training consists of twice-weekly 90-minute sessions over a 4-week period starting the week of July 9th. It includes 12 hours of soccer training over a month, allowing players to absorb and practice the presented skills. The program concludes with a festival game day on August 9th, where skills will be tested in friendly matches against other districts.

Player Eligibility Requirements

Players who were registered in PAWest during the Fall 2024 – Spring 2025 season and be born in the years 2017, 2016, 2015, 2014 and 2013. The cost for the program is \$60, covering 8 training sessions totaling 12 hours.

Training Session Times: First Session: 5:30 PM to 7:00 PM

Second Session: 7:00 PM to 8:30 PM

2017 and 2016 players are assigned to the first session, while 2015, 2014 and 2013 players are assigned to the second session. The festival Day of games will be held in Monroeville on August 9, 2025, from 8:30 AM to 1:30 PM. A training site shirt will be provided for festival games. Training Group Size Per Coach: Minimum of 12 players to a maximum of 16 players. Sessions are based on age and gender.

Festival Saturday, August 9, 2025, in Monroeville	8:30 AM- 1:30 PM	

Frequently Asked Questions

What is the goal of this program?

The goal of the program is to provide soccer training to all Community Club players at an affordable level, ensuring a solid foundation in both the players and their club.

What does my soccer player need to bring to the training session to participate?

Participants should wear appropriate soccer or sports clothing, such as shorts and a tee shirt or soccer shirt, along with proper footwear. They also need to bring an age-appropriate soccer ball (size 4) and a water bottle.

If we are on vacation and miss one week during the training, will that be an issue?

No, missing a week will not be a problem.

What is the difference between this program and the soccer camps that are frequently advertised?

Most soccer camps last for one week, where players receive continuous training for five days. This program extends over a four-week period, allowing players to practice at home with friends and family. Additionally, it helps keep players engaged throughout an entire month, alleviating summer boredom.

Can my child attend a camp and still sign up for this program?

Yes, participating in both will enhance their soccer skills. Like school, players may prefer different coaching styles, which can increase their comfort and learning experience.

If I coach a team and most of my players wish to sign up for this program, will they train together?

Yes, they will train together.
